We've updated our Queen of darkness clothing, to include tops, long sleeve and t-shirts, together with Hoodies and some belts and accessories. We saw the Queen of Darkness stall at London Edge and fell in love with the clothes, attitude and style. For a rock or biker chic look this stuff is the dogs danglies!!

When you have ordered we will contact you to discuss with you via email.

Queen of Darkness are a german label providing a great range of punk, gothic and rock chic clothing. If you see any other Queen of Darkness clothes that you require, we can supply these for you. We can get trousers, coats, badges patches or other items to order, please contact us and let us have your requirements.
